Renee - I just spoke with the chairman and tomorrow @ 9a.m. will be fine for the conference call. This is just to gather info on repayment options which will then be presented to council for final decision. That's all I am interested in right now.

Renee,

I spoke to Chairman and his next available timeframe is on May 04, 2016 @ 10:00 – 12:00. It is on his calendar for that day.

We certainly hope this works for everyone's schedule. We could not arrange the conference call any sooner with schedules in place. Please let me know if you should need a written response of communication from Walker River Paiute Tribe.

Best Regards,

Cynthia O.

Subject: Repayment

Renee and Marie,

I am requesting a special council meeting to discuss repayment of \$103,432 for noncompliant timekeeping practices. Other than what is stated in the Revised Final Management Decision Letter, what are the tribe's repayment options, if any?

Thank you for your assistance.
